

2023-2024 AJV Scholarship Program

Average Award Amount

\$50 - \$1,000*

*Award amounts are not guaranteed and are subject to the funds available and the number of applications received.

Description: The AJV Scholarship Program was created to give all volleyball players the opportunity to play, regardless of their ability to pay. The committee associated with the AJV Scholarship Fund raises money through the sale of sportswear and decals, a silent auction, and private donations. The money raised is distributed to AJV player accounts for applicants who have applied on time and demonstrated financial need. The scholarship committee meets in March each year to review scholarship applications, work program hours, and determine awards. Recipients will be notified of the amount they are to receive this season no later than April 1, 2024. Parents are still responsible for making monthly payments on their player's LeagueApps account. This includes payments for those on an Alternate Payment Plan.

NOTE: Players must begin the application after they have accepted a position on a team. In addition to the application, you must submit the agreement form. By applying for this program, you agree to be automatically enrolled the AJV Work Program. As a result, you will need to complete and submit that application as well.

APPLICATION DEADLINE:

The Scholarship application will open on July 11, 2023, and will close by 11:59 PM January 8, 2024. Complete and submit an online application and agreement form and send via email to Amanda Peck. Applications not submitted or submitted after the application deadline will not be considered. No exceptions.

If you do not qualify for this scholarship, please be aware that we have other scholarships available and we encourage you to explore them. If you are having trouble finding a scholarship that you qualify for, please contact Amanda Peck at 512-433-5108.
